Asfaw, Rahael (10th)

Thank you so much for giving us the opportunity to cheer at Battle of the Valley. It is an honor to be chosen out of all the cheerleading squads in the valley. I had a lot of fun cheering and watching the game. I appreciate your generous offer in choosing us, and your contribution will help the squad tremendously. Thank you for the T-shirts too! It is our tradition to wear them the next week. This event was a lot of fun and very memorable.

Badillo, Marlin (11th)

First of all I would love to thank you for inviting us to this wonderful event. Performing at Battle of the Valley was a great honor for the girls and me. Your generosity and welcome filled all of us with joy. We appreciate your financial contribution. I would like to thank you for this opportunity that I will never forget.

Dear Battle of the Valley Foundation, I would like to take this opportunity to thank you for a fun-filled evening. I enjoyed watching the basketball players participate in a valley-sponsored event. The half-time dunk contest was extremely exciting and fun to watch. I would like to thank you for the T-shirts that you provided for us to remind us of this memorable event. I hope to attend Battle of the Valley next year.

Being at the Battle of The Valley All-stars game was a great experience. I would like to thank you for the beautiful T-shirts that you provided for us. I have just become a part of the Cleveland High School cheerleading tradition. The following Monday, I was grateful to wear the T-shirt because it was a reminder of the event. I really enjoyed myself. Thank you for allowing me to attend this massive event and God bless you.

Carballo, Reina (11th)

To everyone in the Battle of the Valley Foundation, I would like to thank you for a wonderful afternoon. I really enjoyed watching the all-star basketball players from the east and the west playing in an exciting and competitive basketball game. The halftime activities – especially the slam-dunk contest were amusing to watch. I appreciate the T-shirts that were given to us. I hope we get invited next year. Thank you again for a fun afternoon.

Gonzalez, Brenda (12th)

Battle of the Valley has always been an event that we look forward to. I have participated in the all-stars game for two years now and each year has been filled with memorable experiences. When we heard about your generous contribution everyone reacted with shock, screams, and happiness. Thank you so much for helping our squad.

Han, Christine (10th)

As a new cheerleader, I had no idea what Battle of the Valley was. However, while I was there, the resounding cheers, excitement and adrenaline from all the fans and the players opened my eyes to a new experience. You cannot understand the importance of the gift you have given us, and I'm positive it will be put to good use. You have contributed so much to the squad. Hopefully you will invite us to another amazing game; I can't wait until the next Battle of the Valley.

Kalu, Kelechi (9th)

All I can really say is THANK YOU so much for the amazing experience you gave the whole squad by inviting us to the Battle of the Valley game. The entire event was fun, and we were treated with so much respect. I really do appreciate everything that was given to us. You have helped this squad greatly, and I know all of you will be paid back for your goodness. Thank you once again for the great game!

Kim, Hanna (10th)

This was the first time I attended at Battle of the Valley, and it was quite an experience! I was overwhelmed by all the energy projected out from the screaming and supportive people cheering for the basketball players and for us. It was truly an honor to be invited to this event and every minute, I wanted to jump up and never stop cheering for the players. We appreciate the love and support we have received, and I know that I will never forget this enjoyable experience. I hope to be invited again next year and have another great memory imprinted in my heart.

Lopez, Gennesis (12th)

This has been the fourth year I have had the honor to be invited to Battle of the Valley. I remember as a freshman sitting in the stands filled with the desire to one day be able to perform on that court. Now as a senior and one of the Captains of this year's squad, I have seen how significant the help we receive from you is to our squad. Without your support there would be no trophies at the banquet and no cheer scholarships. Thank you so much once again, and I hope that Cleveland Cheerleaders will always be part of your guest list!

Marroquin, Tania (11th)

I want to start off by saying that I was honored to be invited to the all-star basketball game and to be given the privilege to perform. Thank you for the generous gift. We all appreciated and accepted it with the utmost gratitude. I hope to see you g next year and thanks again. It was a marvelous experience.

Martinez, Patricia (11th)

I would like to say thank you for inviting our squad to another wonderful year at Battle of the Valley. We enjoyed all the time we spent there. Cheering for the all-stars and performing for the audience was a great honor. Your generosity was greatly appreciated by all of us. Once again thank you for the experience, we hope to be invited again.

McCluster, Ralanda (10th)

I would like to truly thank you for this wonderful gift that you have given us. Being a new cheerleader, I truly had a great time at Battle of the Valley. It was a wonderful experience for me. Everything was so lovely and great. Thank you once again for this opportunity and may God continue to bless you!!!

Muro, Alejandra (11th)

Thank you very much for allowing us to perform at Battle of the Valley. It was fun and we enjoyed cheering at the Matador Dome. Also, we greatly appreciate your donation and for the T-shirts you gave us. We look forward to perform in the years to come and once again thank you very much. It was so nice to see Ms. Hall's name on them. It made wearing them even more rewarding.

Nguyen, Esther (11th)

This past performance was my first opportunity to grace the floors of the Matador Dome at the Battle of the Valley All-stars Game. Last year, as a new girl, I watched the halftime performance dreaming that one day I would be on the court. You made my dream come true. Along with the great accommodations, service, and treatment by the staff, it was a great experience cheering and dancing for the crowd. The amount of donation that the organization has given in return is beyond what our squad had ever expected. Thank you and we look forward to our return next year.

Noble, Alexandria (12th)

This was my third year going to Battle of the Valley. Every experience I have had at the all-star game has been exceptional. We are always treated so kindly and given such great rewards. Each year I feel so honored that our cheerleading squad is the only one invited to perform. As a senior, I looked forward to Battle of the Valley as one of the last performances I would perform as a Cleveland High School cheerleader. It means a lot to know that what we love to do is entertaining and appreciated by others. Thank you.

Okojie, Omono (11th)

First I would like to thank you for the warm welcome that greeted us at the game. This was my first year performing, and I never really knew how much fun the games were. I feel honored to know that there are people out there who appreciate what we do in Cleveland Cheer, and for that I say thank you.

Pinpin, Camille (10th)

This year was my first experience attending Battle of the Valley. It was an honor being a part of this fun and exciting event. I especially loved watching the halftime dunk contest. Thank you for giving us Battle of the Valley T-shirts. We wore them to school the following day, and it was fun to show off our attendance at this event. Thank you again for inviting us, and I hope to return for next year's Battle of the Valley.

Powers, Alysen (11th)

I would like to give a big thank you to the Battle of the Valley organization for giving our squad not only the opportunity to show what we love to do, but also to award us with the generous sum of money. I can honestly say it was very much appreciated. I have been on the squad for two years now, and I always look forward to our end of the year Battle of the Valley performance. Thank you for continually allowing our squad to come and perform at the all-star games. It is fun to bring our lively Cleveland spirit to the crowd!

Reynoso, Lorena (11th)

Hello. First of all, I would really like to thank you for the huge/large amount of money you sent for our squad. If you could have seen the look on our faces when we saw the check, like us, you would have been in tears. We all greatly appreciate it. It is an honor to attend and perform at Battle of the Valley. It was my second year attending and my first year performing. You guys are the best. So once again, thank you very much, and thank you for the invitation, we will never turn it down.

Rivas, Ana (11th)

Battle of the Valley is an event I look forward to every year. There is no doubt that we love performing, and I am thankful that the Valley Sports Foundation thinks of the Cleveland cheerleaders every year to perform. Thank you for the very generous contribution your organization made this year to our squad, we truly didn't expect that much – but we can use it to have a banquet, and Ms. Hall says that we can now give three \$100 scholarships and we won't have to pay for our own banquet. We love what we do and money isn't the reason why we go – it's the exhilaration we get from the performance and the community service opportunity it provides. Thank you again and cant wait to see you next year.

Vu, Jannet (11th)

First, I would like to thank the Battle of the Valley organization for the huge contribution and support you have given throughout the years, especially this year. This performance was a first for me at the Matador Dome, and no doubt memorable. Thank you for continuing to give us an opportunity to perform. I personally love doing it. It was an experience I will hold in my heart. I cannot wait to come back next year. Thanks!

Weprin, Shannon (11th)

Thank you so much! I can't even begin to explain the appreciation I have for your generous gift to the Cleveland Cheerleading Squad. The money will not be put to waste! It is always a joy to dance at the annual Battle of the Valley. It is an extravagant event that we look forward to all year, and it is truly a blessing that we are given a donation for doing what we love to do. So, I thank you once more for your generosity. I can't wait until next year! See you then!

Willis, My'Keisa (11th)

First of all, I would like to say that in my two years as a Cleveland cheerleader I have always enjoyed attending the Battle of the Valley All-stars Game. It's such an enjoyable experience that will be with me forever. I would like to thank all of you who support us in what we do. We appreciate cheering for you every year. Thank you for your generous contribution to our team. We cannot wait to see you again next yr to perform, cheer, and see all the smiling faces.

Wilson, Alice (11th)

Though I am a one-year cheerleader, this is my first time experiencing Battle of the Valley. I want to thank you for your immense support throughout the years and all you've contributed to Cleveland High School through our cheerleading program. Performing at the game was not only entertaining, but also an incredible experience that I cannot wait to participate in it again next year! You are so important to us, and I hoe we are the same for you. Thank you!

Rita Hall (24th)

The girls have said it all, but you have really touched the sky with your gift this year. I am going to host a scholarship banquet truly fit for a queen.

A million thanks,
